

Rule 25: Modifications for Players with Disabilities

Rule 25 in the 2023 Rules of Golf modifies certain Rules for players in the following categories of disability:

- Players who are blind (which includes certain levels of vision impairment),
- Players who are amputees (which means both those with limb deficiencies and those who have lost a limb),
- Players who use assistive mobility devices, and
- Players with intellectual disabilities.

In order to utilize Rule 25, the player must have a Confirmed WR4GD Pass for one of the disability categories listed above. Players with intellectual disabilities must have a Confirmed WR4GD Pass and Virtus II1 International Eligibility.

For more information on a WR4GD Pass, please go to: <https://edgagolf.com/online/pass/>. If you have a WR4GD Pass, but don't know your WR4GD Pass number, please go to <https://edgagolf.com/online/players/>. If you have questions about the WR4GD Pass, please contact applications@edgagolf.com. If you have Virtus International Eligibility but do not know your number, please go to <https://www.virtus.sport/eligibility-master-list>.

If you need to apply for a WR4GD Pass and/or Virtus II1 International Eligibility, we encourage you to apply as soon as possible, as this process may take several months and in some cases, may require a session with a certified assessor.
