

# Local Rules and Terms of the Competition for 2019 NJSGA Championships

# NJSGA

*The Rules of Golf as approved by the USGA and the R&A govern all play. These Local Rules and Terms of the Competition are in effect at all NJSGA championships and qualifiers. Please refer to each competition's "Player Information Sheet" available on-line two weeks prior to the competition and the "Notice to Competitors" available on the starting tee(s) at each competition. Complete text of the Rules and Local Rules may be found in the Official Guide to the Rules of Golf, effective January 2019. Local Rules on a club scorecard should be disregarded.*

**UNLESS OTHERWISE NOTED, THE GENERAL PENALTY FOR BREACH OF A LOCAL RULE IS:  
MATCH PLAY — LOSS OF HOLE ♦ STROKE PLAY — TWO STROKES**

## LOCAL RULES

**Out of Bounds** — Defined by the line between the course-side points, at ground level, of white stakes and fence posts. When Out of Bounds is defined by a painted line on the ground, the line itself is Out of Bounds. Where walls define Out of Bounds the wall is an Integral Object and a ball is considered Out of Bounds when it comes to rest beyond the wall. A ball which crosses a public road defined as Out of Bounds and comes to rest beyond that road is Out of Bounds, even though it may lie on another part of the course. Gates in boundary fences are Integral Objects.

**Penalty Areas** — When a Penalty Area is defined on only one side, it extends to infinity. When a Penalty Area is connected to the Out of Bounds edge, the Penalty Area extends to and coincides with the Out of Bounds.

**Relief on Opposite Side of Red Penalty Area** — When the edge of a Red Penalty Area coincides with the boundary of the course, opposite side relief is available as prescribed in Section 8 of the Committee Procedures. Model Local Rule B-2.1 is in effect, as amended by Model Local Rule B-2.2.

**Ball Played from Outside Relief Area When Taking Back-on-the-Line Relief** — Local Rule as prescribed in Clarifications of the Rules of Golf is in effect. Model Local Rule E-12.

**Ground Under Repair** — Defined by white lines. French drains are ground under repair.

Ground Under Repair may include areas of unusual damage, including areas where vehicle traffic has combined with wet conditions to affect materially the ground surface, but only when so declared by an authorized member of the Committee. When immediately adjacent to an Immovable Obstruction, such an area is part of the Obstruction.

**Relief from Seams of Cut Turf** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule F-7.

**Aeration Holes** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule E-4.

**Integral Objects** — Include stakes, wires and wrapping when closely attached to trees; artificial walls, pilings, and bridges when located in Penalty Areas and Bunkers.

**Bunker Liners** — An exposed bunker liner is treated as being Ground Under Repair, but interference does not exist if the liner only interferes with the player's stance.

**White-Lined Areas Tying into Immovable Obstructions** — White-lined areas connected to an Immovable Obstruction are part of a single Abnormal Course Condition when taking relief under Rule 16.1.

**Cultivated Flower Beds Encircled by an Immovable Obstruction** — A cultivated or decorative flower/mulch bed encircled by an Immovable Obstruction is treated as a single Abnormal Course Condition.

**Turf Nurseries** — All turf nurseries are No Play Zones and treated as Ground Under Repair. Players must proceed under Rule 16.1.

**Wood Chips and Mulch** — Are Loose Impediments.

## TERMS OF THE COMPETITION

**When Competition is Final** — The competition is final when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee. The result of a match is final when the Committee has approved the result as posted on the public scoreboard.

**Playoffs and Ties** — Competitors are responsible for keeping informed of the possibility of a playoff due to ties. The method for resolving ties will be posted on site at each event. **Those who are not present at "roll call" will be disqualified from the playoff.**

**Stakes, Wires and Cables affixed to trees** — These objects attached to trees for support purposes (not the tree itself) are Immovable Obstructions. Relief is available under Rule 16.1.

**Replacement of Club that is Broken or Significantly Damaged** — Local Rule as prescribed in Clarifications of the Rules of Golf is in effect. Model Local Rule G-9.

**List of Conforming Driver Heads** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-1.

**Clubs: Grooves** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect for the following championships (including qualifying rounds): Women's Amateur & Mid-Amateur Championships; Men's Amateur, Mid-Amateur, Open, Senior Open and Four-Ball Championships. Model Local Rule G-2.

**List of Conforming Golf Balls** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-3. *NOTE: The One-Ball Rule is NOT in effect, unless otherwise noted.*

**Pace of Play** — The "Checkpoint" system shall be in effect for all competitions unless otherwise stated. Refer to separate document on-line or at the Starter's Table for complete details.

**Stopping and Resuming Play** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule J-1.

An immediate suspension will be signaled by one prolonged airhorn note or siren blast. All other types of suspension will be signaled by three consecutive airhorn notes. Resumption of play will be signaled by two short airhorn notes.

All Practice areas are closed while play is suspended for a dangerous situation until the Committee has declared them open. Players who practice while play is suspended for a dangerous situation are subject to disqualification.

**Practice** — Prior to and after a round in stroke play, a player may practice on the designated practice areas. Rule 5.2b covering practice in Stroke Play is modified in this way: A player must not practice on the competition course before or between rounds. Penalty for breach of Local Rule, see Rule 5.2.

**Caddies / Carts** — Each competition has specific policies with respect to Caddies. Refer to Player Information Sheet for details. In competitions where motorized transportation (i.e., a golf cart) is permitted, Caddies MUST walk. Caddies are NOT permitted to ride in golf carts. Spectator carts are NOT permitted. Model Local Rule G-6.

**Use of Motorized Transportation Prohibited** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-6. (This Rule may be modified at certain NJSGA events. Refer to the Player Information Sheet for details.)

**Scorecards** — Upon conclusion of the round, a player must report immediately to the designated location to return his/her scorecard to the Committee. The scorecard is considered "returned" when the player has left the scoring area.

**Score Posting** — In individual Stroke Play competitions only, the NJSGA will post each player's ESC score to his/her GHIN account according to the adjusted Course and Slope Ratings for that day's competition within 24 hours after it concludes.
