NJS GA Scorecard and Score Reporting Policy:
- Each player MUST return his/her scorecard to a NJS GA Official. Failure to return a scorecard or declaring a “No-Card” may result in disqualification from future NJSGA events.
- In individual stroke play events, the NJS GA posts each player’s ESC score as a Type “T” (Tournament) Score to his/her GHIN account shortly after an event.

Through the Green, seams of cut turf (not the turf itself) are ground under repair. If a ball lies in or touches the seam or the seam interferes with the area of intended swing, a player may take relief under Rule 25-1.

French drains and unusual damage due to vehicles (i.e. tire ruts) are deemed to be Ground Under Repair under Rule 25-1.

Artificially surfaced roads and paths, including any surrounding curbing (i.e. Belgian Block, railroad ties) are IMMovable OBSTRUCTIONS (Rule 24-2). White lined areas which lie into these immovable obstructions are deemed to be part of the obstruction (not ground under repair).

When OUT OF BOUNDS is defined by reference to stakes or a fence, or as being beyond stakes or a fence, out of bounds is defined by the nearest inside points at ground level of the stakes or fence posts. When both stakes and lines are used to indicate out of bounds, the stakes identify out of bounds and the lines define out of bounds. When out of bounds is defined by a line on the ground, the line itself is out of bounds.

Ball Crossing a Public Road: A ball which crosses a public road defined as out bounds and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course. (Decision 27/20)

Water Hazards & Lateral Water Hazards: A water hazard is defined by yellow stakes and/or a yellow line. A lateral water hazard is defined by red stakes and/or a red line. When both stakes and a line are used, the stakes identify the hazard and the line defines its margin. In circumstances where the margin of a hazard extends to a boundary, the hazard extends only to that boundary line. When a hazard is only defined on one side, the hazard is deemed to extend infinitely.

Discontinuance of Play: All conditions under Rule 6-8 and the corresponding note in Appendix 1 shall be in effect. During a suspension of play, due to a dangerous situation, all practice facilities (i.e. Driving Range, Putting Green, etc.) are closed and must be cleared.

The Rules of Golf as approved by the R&A and USGA govern all play, except where supplemented by local rules.

UNLESS OTHERWISE NOTED, THE GENERAL PENALTY FOR BREACH OF A LOCAL RULE OR CONDITION IS:

MATCH PLAY — LOSS OF HOLE
STROKE PLAY — TWO STROKES

- Breach of Condition; assessment of General Penalty - Includes, but is not limited to: Dress Code, Caddie/Cart requirement (if applicable), Equipment and Conduct when NOT otherwise addressed by an overriding Rule or policy.
- The starter will distribute the official scorecard at your starting tee. Any local rules listed on a club scorecard should be disregarded.
- The Local Rule (Decision 14-3/0.5) allowing the use of an electronic device to measure or gauge distance is in effect. Refer to Decisions 14-3/16 and 14-3/18 for restrictions and further clarification.
- The Embedded Ball Rule (Appendix 1) Through the Green shall be in effect.
- Time of Starting: Rule 6-3 is in effect.
- Stones in Bunkers are deemed to be MOVABLE OBSTRUCTIONS (Rule 24-1).
- Permanent structures, i.e. bridges and retaining walls, within the margin of water/lateral water hazards are deemed to be INTEGRAL PARTS of the golf course. (No relief without penalty)
- Wrong putting green; nearest point of relief - For the purpose of Rule 25-3, any wrong putting green includes the apron surrounding the green. (Decision 33-8/33)
- Wood chips and mulch are loose impediments.

NOTE: The One-Ball condition (Appendix 1) and the Groove and Punch Mark Specifications (Decision 4-1/1) are NOT in effect, unless otherwise noted.
Each year, the New Jersey State Golf Association and its competitors are privileged to be the guest of many fine clubs and courses throughout the state. As guests, all competitors share the responsibility of demonstrating exemplary conduct, sportsmanship, and courtesy at all times. This is a key to ensure that our hosts welcome the NJSGA as guests in the future. Please remember that your conduct is a reflection on the NJSGA, other tournament participants, and your club.

Some Examples of Inappropriate Conduct Include:
- Failure to replace divots, repair ball marks, or rake bunkers.
- Failure to comply with posted dress code.
- Inappropriate language and gestures, including the use of profanity and/or verbal abuse of an official, another competitor, or host staff member.
- Throwing of equipment.
- Use of an electronic device for reasons other than those permitted by the Rules (i.e. talking or texting via cell phone).
- Failure to use the locker room for changing of shoes/clothing.

Any player whose conduct is deemed to be inappropriate by the Committee is subject to disqualification and/or rejection of future entry into NJSGA competitions. Any caddie or spectator whose conduct is deemed to be inappropriate may be asked to leave the premises. Players are reminded that they are accountable for the conduct of their caddie.
